CHIEF CLERK'S OFFICE

EXHIBIT G

NTS SERVICES CORP. considers its financial information and related documentation to be proprietary and highly confidential business records containing critical, commercially sensitive, and competitively significant data that is not available to the general public. Public disclosure of the information would place NTS at a significant competitive disadvantage, impede full and fair competition and undermine NTS's business plans in Illinois and elsewhere. In contrast, confidential treatment of the information will not adversely affect any interested party. Accordingly, NTS requests that its financial information be deemed confidential and that it be permitted to disclose relevant financial data to the Commission "under seal".

Accordingly, NTS has marked the following materials "CONFIDENTIAL" and provides two (2) copies of each item "under seal" in a single sealed envelope:

1. NTS Services Corp. Balance Sheet as of June 1, 2006
2. NTS Services Corp. Profit & Loss November 2005 through May 2006
